Students will need to bring to school each day a towel, goggles, swimmers, rash shirt, swim cap or hair tie for long hair, underwear, strong plastic bag for wet items. All students attending the scheme will need to wear their swimmers and their uniform in order to be ready on time. All items of clothing should be clearly marked with the student's name. Students should also take their recess and a drink to the pool with them. There will be no opportunity to use the canteen except on the last Tuesday where we will endeavour to have a pre-ordered lunch.

***N.B. – Year 6 students who are attending Orientation Day at Dungog High School on the 04/12/2018 will not be able to attend the last day of Swim School.***

Please be aware that the children will be attending a public pool and will need to get changed in a communal change room. If your child has not used a communal facility before a conversation about etiquette in this environment would be of benefit. Teachers will be posted at the door at all times while students are getting changed. At no time are students alone in the change room. There are individual rooms that the children can use to get changed but they need to be aware that other members of the public will be in the general area. We will also make the students aware of this and also what to do should they feel worried. Any questions please see Mrs Greaves or Mrs Fonti.
